Wow, wow, wow. Tempter daughter at its finest. The most perfect Texas Longhorn handle bar twist. Painted Lily's the one that everyone who visits the ranch has to do a double take. She's really one of the most beautiful in the industry. Amazing milker and raises large calves. We are retaining a heifer as a replacement. She has an amazing bull calf at side out of the sought after HL Jango. To top it off Painted Lily is exposed to one of the hottest young
