Monanza is a big bodied, muscular and colorful frosty red roan cow that has a really nice horn set. She is a great mother and is easy to work with. With the likes of PPF TRILOGY, TOP CALIBER, JP RIO GRANDE, BIG WIG and MO LADY II in her genetics she should knock it out of the park with the progeny she produces.

Total Horn: 84.1250 on 12/16/2021
TTT: 73.5000 on 09/15/2022
