She is our biggest framed heifer of 2018, and is multicolored having black, red and white. She carries the wild gene so can pass on that brindle. She is an easy keeper and easy to work around. If you work at it, she will eat cake from hand. She is really putting on horn fast.

**Total Horn:** 75.5000 on 03/11/2021  
**Weight:** 1215.0000 on 03/11/2021
