This bull is amazing. He has body and his horn set is even better if he stays on track he predicts to be in the 90s. His dam is over 90TTT and a big bodied Drag Iron daughter, his sire is out of Cowboy Catchit Chex who is a full brother to Cowboy Tuff Chex that is over 100TTT and that also brings the cow power of BL Rio Catchit who is over 100TTT. This guys bloodline is cow royalty. We have him out with some girls now to see what he will produce.

Total Horn: 58.0000 on 09/26/2020
TTT: 56.0000 on 09/26/2020
