Nice job of working together here by ZD Jamadan and IPR MS Cinnibar. Just enough brindling to give this flat horned heifer spark. There will be a plethora of color stored in this girl's genes along with outstanding horn T2T.

Total Horn: 98.0000 on 10/29/2018
TTT: 67.2500 on 04/18/2022
