She is a beautiful red and white large framed cow with a feminine head and abundance of horn. She passes on her spots. She produces outstanding calves. Her dam is a full sister to JP RIO GRAND. Her sire is out of the 90 inch TEXANA VAN HORNE X WS JAMAKIZM. Consequently, she has a lot of extra longhorn genetics behind her.

Total Horn: 92.1250 on 06/05/2023
Weight: 1220.0000 on 06/05/2023
